| People Driven Credit Union Expectations | |
| Purpose & Expected Use: | <p>This account is intended to be the accountholder's primary checking account in which day-to-day spending activities including but not limited to grocery, gasoline, apparel, shopping, dining, sporting and entertainment transactions are posted and settled.</p> <p>Commensurate with the spending activities identified above, we expect the account's debit card to be used frequently throughout each month and for transaction amounts to reflect a wide dollar range. Small debit card transactions conducted on the same day at a single merchant and/or multiple transactions made during a condensed time period particularly near the end of a Monthly Qualification Cycle <i>are not</i> considered normal, day-to-day spending behavior. These types of transactions appear to be conducted with the sole purpose of qualifying for the account's rewards and thus will be deemed inappropriate transactions and <i>will not</i> count toward earning the account's rewards.</p> <p>People Driven Credit Union reserves the right to determine if the account is being maintained for a purpose other than day-to-day, primary use. Accountholders who persist in making debit card transactions in a calculated and limited fashion in order to meet their monthly qualifications may have their accounts converted to a different checking account or closed altogether. We also reserve the right to convert the account to a different checking account if the account does not have consistent active use over six (6) consecutive Statement Cycles.</p> <p>We have the right to close this account at any time, with proper notice. Our decision to close the account will not affect your existing obligations to us including any obligation to pay fees or charges incurred prior to termination.
